AUGUST 2020

Insights To Save Time and Make You Money

Executive Summary / '60 Second Speed Read':

In this month's newsletter, you'll find information about important topics like . . .

Payroll Protection and Your S-Corporation

Recent legislation by the US Congress made funds available to help independent business owners pay their employees and stay in business as the Covid-19 virus caused many firms to go into 'lock-down' and 'shut-down'.

Because this legislation is so new, there are more questions than answers about how it works and what you must do to avoid having to pay a price for ignorance of the law.

Good news. In this post, we address several questions that owners have about how to use this money and not get hit with costly consequences for acting in ways that this program may not permit.

Where There's a Will, There's a Way

You either have a Will or, you don't.

If you don't have one, you really ought to consider getting one. There are many benefits -- to your peace-of-mind and your kids and family -- that make it worth looking into.

DSD Insurance has arranged for you to get one -- online through the Dave Ramsey organization -- so you won't end up spending more money than you need to make this happen.

Using Personal Assets in Your Business

Since the only two things you can count on are "death and taxes", this is a good post to follow the one above it!

When you begin to use your personal assets for purposes that are business-related, you may be entitled to some interesting tax benefits. Or, not.

In this post, you'll learn about what happens when you use your personal assets in your business.

Often, it makes sense . . . "dollars and cents"!
