JUNE 2020

Insights To Save Time and Make You Money

Executive Summary / '60 Second Speed Read':

In this month's newsletter, you'll find information about important topics like . . .

Our 2020 Scholarship Recipients

This year, as in years past, is a proud one for DSD Insurance as we've been able to award 10 more scholarships to family members of our clients who are Flowers Foods distributors.

First started in 1996, we've awarded 112 scholarships and look forward to doing so again in future years.

Read on to learn who our 2020 scholarship winners are and where they're located.

Get Educated . . . Without Going Broke

Anthony O'Neal is a young man with an important mission. He's committed to educating our younger generation about money -- how to earn it and use it.

At age 19 he was homeless and living in his car. Today, he's a Dave Ramsey financial coach who is a major author and sought after keynote speaker.

In this post Anthony shares some great ideas -- and an online tool -- you can use to find free money . . . scholarships that could be yours for the asking.

The Best Pet Insurance Plans for 2020

If you own and love your pets, you want them to be healthy. Often, this means you'll need to bring them to a Veterinarian. And that can be costly.

Fortunately, there's insurance that helps cover 'vet bills' when illness or accidents happen to your best friend.

And, like human health insurance, it can not only keep your pet healthy . . . it will help you keep your savings account intact!

The 2020 Hurricane Season Is Here!

2020 has already seen some significant storm activity. Several named storms have already formed off our coasts and the season is far from over.

As much as hurricanes mean high winds, serious damage is created by **storm surge**.

Storm surge happens when a wall of water, pushed by hurricane winds, causes coastal and inland flooding that does a LOT of damage.

States on the Gulf of Mexico are often the targets of hurricanes but New York is most likely to incur the most damage from storm surge.

Learn how to prepare for this likely outcome of our 2020 hurricane season.
